Dear Dr Muhammad Azrif bin Ahmad Annuar,

FACULTY INVITATION AND SCIENTIFIC ADVISORY COMMITTEE INVITATION FOR THE 6TH ASIA PACIFIC CONGRESS OF INTERVENTIONAL ONCOLOGY (APCIO) 2019 IN KUALA LUMPUR, MALAYSIA

Warm greetings from the Malaysian Society of Interventional Radiology (MYSIR). On behalf of Dr Alex Tang, we are pleased to inform that we are organizing the 6th Asia Pacific Congress of Interventional Oncology 2019 in Kuala Lumpur on 2nd – 5th October 2019 in conjunction with the 2nd Multidisciplinary Oncology Symposium Malaysia and MYSIR ASM. The congress will be held at the Kuala Lumpur Convention Centre (KLCC). The congress website is www.apcio2019.com.

The congress is a multidisciplinary and multinational collaborating exercise involving the interventional oncology, diagnostic radiology, medical oncology, radiation oncology, modern pathology, hepatology, gastroenterology, respiratory, and the related surgical disciplines, etc. The theme of the congress is “**Interventional Therapy in Modern Oncology: Technological Integration Beyond Boundaries**” and it encompasses various standard and new advances in the modern management of the cancerous disorders. Various new minimally invasive treatment techniques and research protocols will be featured, especially in the management of giant and advanced HCC; transarterial therapy in hepatic metastases and extrahepatic TACE for various malignancies. Various combined therapeutic options optimizing the new targeted drugs, new radiation treatment protocols and interventional oncology fostering a better clinical outcome will be highlighted.

It is our great privilege to invite you to be one of the esteemed faculty and scientific advisory committee.

As a member of the faculty, the committee would like to offer:-

1. Complimentary registration.
2. Invitation to social programme.

We look forward to your favourable reply and to share your variable experience and guidance in the upcoming event.

While the scientific committee will revert and will be in touch in the immediate future pertaining to the scientific contents and speaker arrangements, the conference secretariat team will in the meantime like to request for the following information for the official announcement on our congress website: -

- Your formal professional photograph
- Your full Curriculum Vitae (CV) for academic reference
- A short 30 to 50 words description of your professional achievements for us to share on the conference website

Special grants are also provided to the Young Researchers to attending the meeting. We would be grateful if you can promote this opportunity to the members of your association and encourage your eligible Young Researchers to submit an abstract for the special grant. Suitable candidates will be awarded based on the pre-determined criteria.

We are committed to planning an unforgettable time in Kuala Lumpur as meetings are not just about scientific learning and case sharing, but of building fellowships and renewing friendships.

We look forward to hearing from you and thank you for your support.

Kind regards,

Dr Alex Tang
