

Dear President of MOS,

It is a great honor and pleasure to inform you that the Korean Society of Medical Oncology (KSMO) will host the **13th Annual Meeting of the Korean Society of Medical Oncology & 2020 International Conference (KSMO 2020) with ASCO Breakthrough Session and 8th International Conference of the Federation of Asian Clinical Oncology**, in Seoul, Korea from September 3rd to 4th, 2020.

The Korean Society of Medical Oncology (KSMO) has been actively cultivating expertise in medical oncology and is being developed as the largest nation-wide cancer organization comprised of physicians and health-care professionals committed to the multidisciplinary approach for optimal cancer care in Korea.

The last KSMO conference was successfully held with over 1,100 participants from 34 countries. Among the plenary speakers, Nobel laureate in Physiology or Medicine 2019, along with world-renowned speakers in the field of Medical Oncology contributed to KSMO international conference. We expect around 1,500 participants from all over the world, making KSMO 2020 the best opportunity to exchange and network with a multidisciplinary approach in our field.

Could you please announce the below information to your society members who might be interested in KSMO 2020?
