Symposium 1
August 21 Fri.
08:00-12:00

Opioids and Cancer Pain: Evolving Science and Practice

Chair

Russell Portenoy (MJHS Hospice and Palliative Care, USA)

Keynote Lecture

"Balance at the Bedside" – Optimizing Benefits and Minimizing Risk Through Best Practices

Russell Portenoy (MJHS Hospice and Palliative Care, USA)

Introduction and Welcome

Russell Portenoy (MJHS Hospice and Palliative Care, USA)

Opioid Receptors: Structure, Function and Plasticity

Christoph Stein (Charité-Universitätsmedizin Berlin, Germany)

Genetic Variation and the Balance Between Opioid Benefit and Risk

Pål Klepstad (Norwegian University of Science and Technology, Norway)

Improving Cancer Pain Management Through System Change

Marie Fallon (University of Edinburgh, UK)

Three Examples of Science Translation to Practice:

Opioid Rotation, Management of Breakthrough Pain, Role of Methadone

Eduardo Bruera (University of Texas MD Anderson Cancer Center, USA)

Plenary Session

August 21 Fri.
13:00-17:00

Integrating oncology and palliative care to improve patient care: Providing the right intervention, at the right time for the right patient

David Hui (University of Texas MD Anderson Cancer Center, USA)

Chair: Shigehira Saji (Fukushima Medical University, Japan)

Integrating palliative care aside curative treatment in hemato-oncological disease

Thomas William LeBlanc (Duke University School of Medicine, USA)

Chair: Masayoshi Kobune (Sapporo Medical University, Japan)

Immune-related adverse events associated with immunotherapeutic agents

Aung Naing (University of Texas MD Anderson Cancer Center, USA)

Chair: Takao Takahashi (Saitama Medical University International Medical Center, Japan)

Cancer rehabilitation and palliative care

Jack Fu (University of Texas MD Anderson Cancer Center, USA)

Chair: Akihito Tsuji (Kagawa University Faculty of Medicine Cancer Center, Japan)

Luncheon Seminar

August 21 Fri.
12:00-13:00

Integration of Oncology and Palliative Care, a review of its history and directions for the future

Stein Kaasa (Norwegian University of Science and Technology, Norway)

Chair: Takeshi Terui (Higashi Sapporo Hospital, Japan)

Symposium 2
August 22 Sat.
08:00-12:00

Making the Case for Integration of Spiritual Issues in Palliative care

Chair

Christina Puchalski (George Washington University, USA)

Keynote Lecture

Interprofessional Spiritual Care: From Assessment to Accompaniment

Christina Puchalski (George Washington University, USA)
